

# SAMSHAD ALI

---

## React Developer

Gorakhpur, Uttar Pradesh | 9580645671 | samshadali3271@gmail.com

### OBJECTIVE:

---

Dedicated web developer with expertise in React and Next.js, seeking immediate placement in a forward-thinking organization. Proficient in front-end development, UI design, and responsive web design. Skilled in delivering scalable, high-performing web applications and enhancing user experience through innovative projects.

### SKILLS:

---

- **Technical Skills** : HTML, CSS, JavaScript, TypeScript, React.js, Next.js, MERN Stack, Tailwind CSS, Git, Redux
- **OS Skills** : Windows OS, Linux
- **Soft Skills** : Effective Communication, Problem Solving, Team Collaboration

### PROJECTS:

---

#### Admin Dashboard

- Developed a responsive admin dashboard using Next.js, featuring CRUD operations, dynamic charts, and responsive design. Real-time data fetched.
- Implemented advanced functionalities including pagination, filtering, and form validation.

#### OYO Clone

- Developed OYO clone full stack web app using Next.js, MongoDB and Tailwind CSS.
- Integrated user authentication (JWT) & hotel search with sorting and filtering.
- Implemented REST API for seamless communication, with intuitive UI.

#### YouTube Clone

- Used React for a YouTube clone with dynamic APIs.
- Created pages where users can explore a personalized feed of videos and search for specific content with suggestion videos.
- Developed a visually appealing and responsive user interface across all device.

### EDUCATION:

---

**2021 - 2024 | J S University, Agra**

Bachelor of Computer Application - BCA
